Dear Parent/Carer

re: Year 11 'Help your Child Revise Workshop'

I would like to invite you and your son/daughter to attend a 'Help Your Child Revise Workshop' on **Monday 13th November 2017** at **6.45pm** in the school hall. This workshop will give you important information on how best to help and guide your son/daughter over the coming months to ensure that they maximise their potential and leave St Edmund's with the best grades possible.

On returning from the October half term there will only be five school weeks until your child starts their mock exams. It is vital that you are aware of the best way for your son/daughter to learn and more importantly retain information so they will succeed in their exams.

The pupils who attended with their parents last year prospered in their exams and achieved excellent grades; the evening did make a difference last year and can make the difference between good and excellent grades. The feedback from parents last year about this evening was excellent; many saying they wished their older children had been able to attend a revision workshop.

Please return the reply slip below to the school office by Friday 3rd November 2017 to confirm your attendance.

I look forward to seeing you. If you would like to discuss this further, please do not hesitate to contact me.

Yours faithfully,

L Dehara
