INFORMATION RECEIVED FROM STAGECOACH, DOVER – 18.10.2017

Important information for students/parents who use Stagecoach Buses 95 and 96

This is a statement from Stagecoach:

'Stagecoach have been informed by a utility company of an emergency road closure out on Holt Street, near Snowdown. This is going to affect all of our services that operate along that route, this includes services that either start and finish at schools, especially the 95 & 96 routes.

From this afternoon any students who normally catch services and get off by the Co-Op will need to alight from the bus at The Bell PH and walk down Church Hill, in the morning they will need to board at either Siberts Close stop or The Bell.

Those students who live at Nonnington will need to get to Elvington or Aylesham to catch the bus as we are unable to get buses along this road and due to the country lanes we can only take buses on certain roads.

Stagecoach would like to apologise for the inconvenience caused but this is not under our control. The utility company have stated the work may take up to 2 weeks, but hopefully when students return after half term, the work should have been completed'.
